SECTION I

Executive Summary

The Company is a $8.0M EBITDA commercial services platform serving institutional clients across a defined regional footprint. With 12 years of operating history and recurring contractual revenue from 47 enterprise customers, the business has compounded EBITDA at a 14% CAGR over the trailing five-year period.

Investment highlights include 92% gross-revenue retention, defensible regional density with no single customer above 8% of revenue, and an experienced management team prepared to drive continued growth post-transaction.
